**PETITION FOR LEAVE TO INTERVENE
OF THE BERKSHIRE GAS COMPANY**

Pursuant to G.L. c. 30A, §11 and 220 CMR Section 1.03, The Berkshire Gas Company ("Berkshire" or the "Company") hereby petitions the Department of Telecommunications and Energy (the "Department") for leave to intervene in the above-referenced proceeding. In support of this motion, Berkshire states the following:

1. Berkshire is a gas company, as defined in G.L. c. 164, §1, and is regulated by the Department pursuant to G.L. c. 164.
2. Berkshire maintains its principal offices at 115 Cheshire Road, Pittsfield, Massachusetts 01201.
3. On March 31, 2006 Bay State Gas Company ("Bay State") filed a petition for approval of a proposal to implement an incremental planning standard for so-called "grandfathered" transportation customers and a related change to its distribution service terms and conditions together with accompanying supporting material and rate schedules with the Department.
4. The Department's investigation into the Bay State rate plan and proposed rate schedules has been opened in docket D.T.E. 06-36.
5. The Department's investigation in this proceeding will address issues dealing with resource planning, rate making and other issues of common concern to gas companies in Massachusetts, including Berkshire.

6. The Department may allow any person that "may be substantially and specifically affected" by a proceeding to intervene as a party. G.L. c. 30A, §10; see also 220 CMR §1.03(1).

7. Berkshire is likely to be substantially and specifically affected by the Department's finding with respect to these issues of common application.

8. Berkshire expects that its participation will be focused and limited to issues of more general application.

9. Berkshire's interests are unique and cannot be adequately represented by any other party.

10. Counsel for Bay State has been contacted and has indicated that Bay State does not object to Berkshire being granted intervener status in this proceeding.

11. Accordingly, Berkshire moves for leave to intervene in this proceeding and participate in this proceeding in consistent with the ground rules and procedures established by the hearing officers.

WHEREFORE, Berkshire respectfully requests that the Department grant this petition for leave to intervene and take such other actions as may be necessary and appropriate.

Respectfully submitted,

THE BERKSHIRE GAS COMPANY
